Response Due Date
03/28/2016

IDENTIFICATION NUMBER: C00574624

REFERENCE: YEAR-END REPORT (10/01/2015 - 12/31/2015)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following **6** item(s):

1. Schedule A-P (see attached) discloses a contribution from an individual who has a mailing address outside of the United States of America. Please be advised that 52 U.S.C. § 30121(a) (formerly 2 U.S.C. § 441e(a)) and 11 CFR § 110.20 prohibit foreign nationals from making contributions in connection with any election for political office or in connection with any primary election, convention, or caucus held to select candidates for any political office.

If the apparently prohibited contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If your committee follows the safe harbor guidelines outlined under 11 CFR § 110.20(a)(7) for all contributions received from a foreign address to ensure that the sources of these contributions are not foreign nationals, please provide a detailed description of your procedures. These procedures must be used in all cases where a contributor or donor uses a foreign passport or passport number for identification purposes, provides a foreign address, makes a contribution or donation by means of a check or other written instrument drawn on a foreign bank or by wire transfer from a foreign bank, or resides abroad. A committee is deemed to have conducted a reasonable inquiry into the contributor or donor's nationality if you seek and obtain copies of current and valid U.S. passport papers for U.S. citizens. No person may rely on this safe harbor if he or she has

CRUZ FOR PRESIDENT

Page 2 of 6

actual knowledge that the source of the funds solicited, accepted, or received is a foreign national.

If you have received a contribution from a foreign national, you must refund the impermissible contribution to the donor in accordance with 11 CFR § 103.3(b). Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the refund. In addition, any refunds should be disclosed on Schedule B supporting Line 28(a) of the report during which the transaction was made. Although the Commission may take further legal action concerning the acceptance of a prohibited contribution(s), prompt action on your part to refund or provide clarifying information concerning these contributions will be taken into consideration.

2. Schedule A-P of your report discloses one or more contributions from an organization(s), which is not a political committee registered with the Commission (see attached). In order for your committee to accept contributions from unregistered organizations, your committee should take steps to ensure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 52 U.S.C. §§ 30116(f) and 30118 (formerly 2 U.S.C. §§ 441a(f) and 441b) or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: (1) establish a separate account which contains only those funds permitted under the Act, or (2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

If you have received prohibited contributions, you must make a refund. (11 CFR § 103.3(b)(1)) The refund must be made within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(2))

Please inform the Commission of your corrective action immediately and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B-P supporting Line 28(b) or (c), as applicable, of the report covering the period in which the refund was made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the

CRUZ FOR PRESIDENT

acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

3. Schedule A-P of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken for some of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,700 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (52 U.S.C. § 30116(a) and (f) (formerly 2 U.S.C. § 441a(a) and (f)); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

Please be reminded that all refunds, redesignations and reattributions must be made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or reattributed.

For reattributions, the funds can be retained if, within 60 days of receipt, the excessive amount was properly reattributed to another person. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor who signed the check an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

CRUZ FOR PRESIDENT

Page 4 of 6

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount was properly designated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR § 103.3(b)(1))

Please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters reattributing or redesignating the contributions in question. Refunds are reported on Line 28(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B-P of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A-P of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

4. Itemized disbursements must include a brief statement or description of why each disbursement was made. Please amend Schedule B-P supporting Line 23 of your report to clarify the following description: "Contract Labor - Advance Service." For further guidance regarding acceptable purposes of disbursement,

CRUZ FOR PRESIDENT

Page 5 of 6

please refer to 11 CFR 104.3(b)(4)(i)(A).

Additional clarification regarding inadequate purposes of disbursement published in the Federal Register can be found at http://www.fec.gov/law/policy/purposeofdisbursement/inadequate_purpose_list_3507.pdf.

5. Schedule B-P supporting Line 23 of your report discloses a voided or returned check(s) for an expenditure(s) made during this or a previous reporting period. However, you have failed to provide a reason that the check(s) was voided or returned. Please either amend your report to provide an explanation for this activity or clarify if and when this check(s) was reissued. If it was not reissued, please clarify the steps your committee has taken in order to avoid the acceptance of a prohibited in-kind contribution(s). (11 CFR § 104.9)

6. Schedule B-P of your report discloses a reimbursement to the candidate for the following travel related disbursement: "Travel." When the reimbursement amount to individuals for travel and subsistence advances exceeds \$500, the payments by staff to any one vendor that make up the reimbursement may have to be itemized. For example, if the related payments to any one vendor aggregate in excess of \$200 for the election cycle, the staff advance payment to the vendor must also be itemized in a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and detailed purpose of the advance. If itemization is not necessary for a particular reimbursement to staff in excess of \$500, you must indicate so in an amendment to this report. Please amend your report to include the missing or clarifying information. See Advisory Opinion 1996-20 for additional clarification. (11 CFR § 104.9)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please
